

GESTURE DRAWING

- Quick sketch that captures human figure
- More than just stick figures
- Focuses on joints and positioning of body
- Includes quick lines and minimal detail
- Lines follow shapes of C-S-I
- Usually created in around 1 minute.
- Helps develop skill of capturing poses

CONTOUR DRAWING

- Focuses on the outlines of an object/objects
- Focuses on the shape/form of objects rather than detail
- Can be continuous (artist doesn't lift pencil)
- Builds technique of transferring what is seen to what is drawn

BLIND CONTOUR DRAWING

- Builds technique of muscle control
- Builds technique of relationship of object size
- Artist does not look at page
- Focuses on the outlines of an object/objects
- Focuses on the shape/form of objects rather than detail
- Can be continuous (artist doesn't lift pencil)
- Builds technique of transferring what is seen to what is drawn
